

WORKSHOP

How to Publish in Chemistry Teacher International

Chemistry Teacher International is a peer-reviewed open-access journal published by the Committee on Chemistry Education of IUPAC. The journal aims to be a platform for teachers of all levels, focusing on studies in chemistry education.

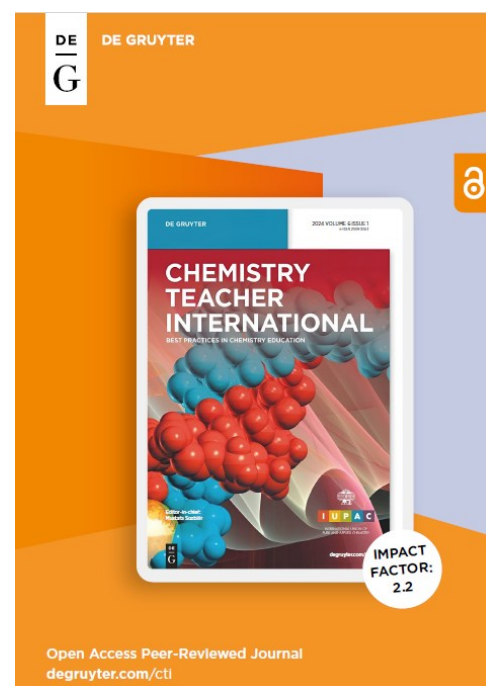

Join our Workshop: Meet the editors!

This interactive session is a unique opportunity for educators and researchers to connect directly with the editorial team. Learn how to contribute, ask questions, and explore how your work can reach an international audience.
