

# IUPAC2025

Kuala Lumpur Convention Centre, Malaysia

**53rd IUPAC General Assembly (53GA)**

**12th - 16th July 2025**

**50th World Chemistry Congress (50WCC)**

**14th - 19th July 2025**

# Nanotechnology for Sustainable Agriculture

We invite presentations covering all aspects of the  
**applications of nanotechnology in agriculture**,  
from the synthesis of nano-agrochemicals to their efficiency  
and impact on the environment.

**Submit your abstract by 31st March 2025**

**Symposium Chairs**

Melanie Kah, University of Auckland, New Zealand

Rai Kookana, University of Adelaide, Australia
